

**2 Step Kit**

# FUEL INJECTION AND INDUCTION CLEAN-UP KIT

*Are your customers worried about their fuel system? Should they be? Did you know that...*

## PENRAY HAS THE SOLUTION!

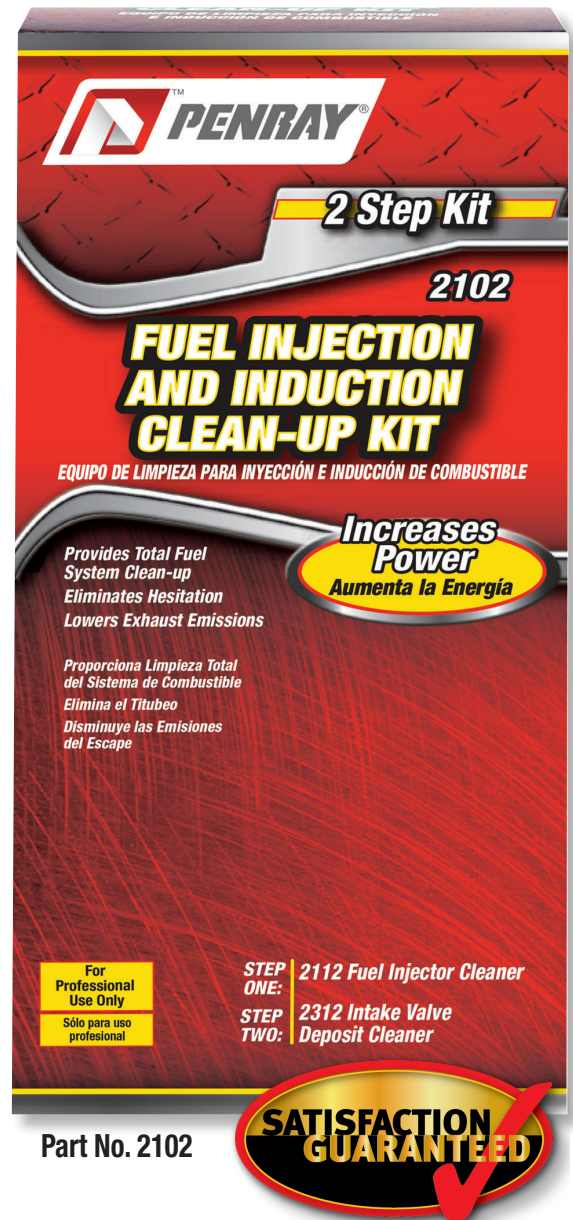

- Provides total fuel system clean-up, including fuel injectors and intake runners, ports and valves
- Helps restore MPG and removes carbon and other deposits
- Formulated with powerful detergents for maximum performance
- Use with 303-IV, SP302BC or SP300FI Tools
- For professional use only

### 2112 Fuel Injector Cleaner

After adding to fuel tank, this strong formula will help remove deposits, clean injectors, and provide lubrication that will enhance smooth injector operation. This should be used as a tank additive after cleaning with Penray 2312 Intake Valve Cleaner.

### 2312 Intake Valve Deposit Cleaner

Introduced into the intake system with Penray's Professional Intake Cleaner Kit (303-IV or SP300FI,) this solution cleans carbon deposits on valves and in combustion chambers.
